

STUDENT PHYSICAL EXAMINATION AND IMMUNIZATION REQUIREMENTS FROM THE ILLINOIS DEPARTMENT OF PUBLIC HEALTH ARE AS FOLLOWS:

Early Childhood (program pending grant approval):

- Must have a physical exam completed by an Illinois physician within one-year prior to the date of entry into school
- Completed evaluation for lead poisoning risk
- Up-to-date immunizations

Kindergarten

- Must have a physical exam completed by an Illinois physician within one-year prior to the date of entry into school
- Must have a completed eye exam within one year prior to the first day of Kindergarten
- Completed evaluation for lead poisoning risk
- Must have completed dental exam prior to the first day of Kindergarten
- Up-to-date immunizations

2nd Grade

- Must have completed dental exam prior to the first day of school

6th Grade

- Must have a physical exam completed by an Illinois physician within one-year prior to the date of entry into school
- Must have completed dental exam prior to the first day of school
- Up-to-date immunizations

9th Grade

- Must have physical exam completed by an Illinois physician within one-year prior to the date of entry into school
- Tetanus-Diphtheria Booster within the past 10 years
- Up-to-date immunizations
- Completed dental exam prior to the first day of school

If a student is entering an Illinois school at any grade level from out of state, the child must have:

- A physical exam completed by an Illinois physician within one year prior to date of school entry
- Immunizations must comply with the State of Illinois requirements
- Transfer students have 30 days from date of entry to comply with physical and immunization requirements

NOTE: A completed IESA/IHSA sports form **CAN NOT** be accepted as proof of a physical examination for mandated physicals (Early Childhood, Kindergarten, 6th Grade or 9th Grade). The Department of Human Services Health Examination Form **MUST** be thoroughly completed by the physician and parent/legal guardian to be valid.

All other students who wish to play extra-curricular sports for the 2011-2012 school year, must still receive a sports physical.
